Frequently asked questions

What is the payment process when purchasing my townhouse?

We require a 10% deposit upon confirmation of the agreement, with the remainder to be paid upon completion of the townhouse. No progress payments are required.

What warranties do I get when purchasing my townhouse?

Every townhouse comes with a 1 year minor defects remedy period and a 10 year structural warranty period in accordance with the Building Act.

How do I stay updated on the construction of my townhouse?

We post regular updates of all our projects on our Instagram page (@titusgroupnz), this way purchasers can receive photo and video updates as well. Alternatively, you are welcome to contact one of our team members directly.

How buying from us works

Connect

Identify which townhouse you would like to purchase and connect with one of our team members.

Sign

Simply sign our conditional Sale & Purchase Agreement and pass it onto your solicitor.

Review

Our standard Sale & Purchase Agreement gives you 10 working days to conduct your due diligence. This period allows ample time for your solicitor to review the agreement.

Confirm

Once you are happy to purchase the townhouse, simply confirm the agreement unconditional and pay your deposit. From here, no further action is required until settlement, which is upon completion of the townhouse.
